Education

Prof. Ram Meghe College of Engineering and Management, Amravati, India

Bachelor of Engineering - Computer Science (June 2021 - May 2025*)

Skills Summary

Technical Skills : HTML5, CSS3, JavaScript, React, Firebase, Node.js, Git

Soft Skills : Problem-solving, Critical Thinking, Teamwork, Collaboration

Projects

Personal Portfolio Website
Built a personal portfolio website using HTML, CSS, and JavaScript with multiple pages, responsive design, and interactive elements. Showcased projects, skills, and experience with custom CSS, dynamic backgrounds, and smooth navigation to enhance user experience.

Health Tracking Website
Developed a responsive health tracking app using React.js with personalized fitness goals, progress tracking, calorie management, and workout plans. Integrated dynamic components, React hooks, and state management to update data in real-time and customize user health plans.

E-Commerce Website
Built a fully functional e-commerce website using React.js and Firebase with product listing, shopping cart, and checkout features. Integrated real-time data storage and secure user authentication. Utilized React hooks for state management and ensured a responsive, user-friendly interface.

Certifications

1. HTML 5 | Infosys Springboard

2. CSS 3 | Infosys Springboard

3. JavaScript | Infosys Springboard
